THE DANIEL

The Daniel Bench makes a sweet seat for your little love. Designed to perfectly pair with our Asher Desk, it is solid (no fear of tipping over!) and comes in our full colour range.

When not being used as a desk seat, this bench also doubles as an end of bed bench, side table, or somewhere to kneel at and jot down ideas. It is incredibly lightweight and oh so versatile!

DID YOU KNOW?

We can custom make any of our pieces to suit your specific needs. A little longer, a little shorter...
